Anthuriums by SHAFER

THERE'S MONEY IN GROWING SHAFER ANTHURIUMS

- Easily Grown In Your Greenhouse. A hardy strain, twenty years in the making.
- Always in bloom — no dormant period.
- Start blooming two years after propagation. A new bloom every two months.
- Blooms can be held on plants for special occasions for as long as a month.

THERE'S MONEY IN SELLING SHAFER ANTHURIUMS

- Sell on Sight! Colorful, exotic, stately, and supremely modern. A "Stand-Out" among blooms.
- Long Lasting! Blooms last 3 to 4 weeks in the home — a sure selling point. And customer satisfaction means re-orders.
- The "New Look" for Brides! Make exotic and glamorous bridal bouquets, arrangements, corsages.

COLORS AVAILABLE

Pink, Light Rose, Dark Rose, Salmon, Coral, Oahu Orange, Flame, Tulip Red, Red, and Dark Red.
White and Shell Pink when in stock.
